Mission Prayers

Crown of Life, Corona, Calif. – Thank you, Lord, for the souls our fellow brothers and sisters at Crown of Life, Corona, Calif. have been able to reach. There have been 50 adult confirmands in the past two years. This has led to the calling of another pastor, Stephen Koelpin. Bless his efforts and help us to expand our mission opportunities to this area as well as throughout the United States. Bless us also with the manpower and the financial resources to make the most of the time left to call people to repentance and faith. Amen.

A Thought from the Word

Pentecost 18

James 3:13-18

Look at the harvest of righteousness that the Lord sows through us. He begins by giving us true wisdom from heaven. It is the opposite of the worldly “wisdom” that prides itself in envy and selfishness. Examples of that foolishness abound all around us—and it rubs off on us! But God works through his Word to replace the world’s “wisdom” in us with his own. It is pure and selfless and it shows in our deeds. Thus the Lord shows the world his wisdom and peace through us. Through us he produces a harvest of righteousness. In other words, the good he works through us is not without effect. It produces results that will last.

Meet Michael Telander

I was born in Arlington Heights, Illinois but spent most of my life in Cincinnati, Ohio. At an early age, I was involved in baseball and hockey, hockey being my first love. After my sophomore year of high school at Fairfield High School, I was recruited to play hockey at Park Tudor School, which is a prep school in Indianapolis, Indiana. While at Park Tudor we won two state championships in Hockey. After high school, I worked with my father for a year traveling the country and moving people. After working with my father I attended The Ohio State University.

Currently, I work for Inside Outfitters Incorporated located in Dublin. We make custom window shades and draperies. I have been with them for almost 2 years now. We manufacture both residential and commercial window treatments. Chase Bank, Childrens Hospital, Buffalo Wild Wings are some of the many places with whom we do business.

In my free time I enjoy hunting and fishing. I am engaged to Beth Ullery. We plan on getting married April 27, in Cincinnati, Ohio. Beth and I enjoy playing softball, golfing and bowling. We adopted a dog in April. Her name is Maddie and she is a 3 year old coonhound/mix.

Prior to Lamb of God, I was a member of Beautiful Savior Lutheran Church in Cincinnati, OH. I look forward to getting to know everyone at Lamb of God and would to thank everyone who has made Beth and me feel welcome.
