*Read Genesis 3:8-14*

You can run, but you can’t hide. The primal pair tried running. They ate that “stupid

piece of fruit,” but that was not just a stupid piece of fruit. It was God’s way of having them show their love for him. We can make many excuses for our foolish misuse of God’s gifts. We can even try to run and hide. With whatever we have, in

whatever we do, we strive to serve faithfully and use God’s gifts wisely. We do that knowing that the Head-crusher has stomped out Satan and once again opened paradise.

## Mission Prayer: Academia Cristo

Lord God, thank you for technology that gives us new opportunities to reach out with your Word. Bless our efforts in Latin America to capture the interest of Facebook users and to draw them to the Aca-

demia Cristo website to learn more about

you. May their spiritual growth produce leaders who can spread the gospel of Jesus even further in these communities. Continue to open our eyes to see ways to share your love with the world. Amen.

## New Bible Studies

Jesus was a master storyteller. His parables captivated audiences of all ages and taught timeless and treasured truths. This summer, young and old will gather to study these fascinating and timely stories in our Cross-Generational Bible Study **Sundays at 9:15 am**. Enjoy some summer refreshment in God’s Word!

Then bring your Bible and a pencil **Wednesdays at 7:00 pm**, as we dig into one of the most detailed accounts of God’s plan for the world—the book of Romans—verse by verse. Topics covered will include grace, faith, good works, suffering, relationships, government, church fellowship, and more. Join us for “A Walk through Romans.”
