CONGREGATIONAL MEETING

Our next congregational meeting will be after worship on Sunday, September 18. Please plan to join us to hear updates and provide feedback on the ministry we are doing together.

CHANGES COMING

- The new automated handicap-accessible opener will soon be installed on the entry door between the sanctuary and the fellowship hall. Those who need it are encouraged to provide feedback to church council members, as some of its settings (such as the time the door remains open) are adjustable. Parents, to help our energy bills, please discourage your children from playing with the opener.
- Repairs and repainting will take place soon on the exterior of our building. Watch for this fresh new look!
- Our first set of new paraments and stoles will soon arrive. This will bring about the reconfiguration of the chancel area discussed and approved at our congregational meetings. Thanks to those who have donated toward these renovations. Please consider what gifts you might give to complete the renovation of our sanctuary.

SAVE THE DATES!

We are planning a family fall festival on **Saturday, October 15**, as an outreach event to our community. Mark the date, and watch for opportunities to get involved.

Finally, on **November 12-13**, Lamb of God will be participating in a Self-

Assessment and Adjustment (SAA) program facilitated by the WELS Commission on Congregational Counseling. It will help us adjust our ministry guided by God's Word and your input, so that we can best glorify God. We need all of our members to participate.
